**Impact:**

**Summarise any positive impacts or benefits, any negative impacts (i.e. potential for discrimination, disadvantage or disproportionate treatment) and any neutral impacts and the evidence you have taken into account to reach this conclusion. Be aware that there may be positive, negative and neutral impacts within each characteristic. (NOTE: please refer to the Equality Strategy for the characteristics) Where an impact is unknown, state so, and identify what steps will be taken to address any gaps in data:**

There are not considered to be any negative impacts arising from publication of this carbon footprint for any of the protected characteristics. Climate change is shown to be affecting the most vulnerable in our society.

**Consideration of Alternatives:**

**Describe what alternatives have been considered and/or what actions will be taken to remove or minimise any potential negative effect identified above (attach evidence or provide link to appropriate data, reports, etc):**

**Date approved by Head of Service:** 23/10/2024

**Reporting and Publication:**

**Equality Impact Assessments will be published on North Devon Council's website.**

**The completion of an Equality Impact Assessment is an ongoing process. Impacts will be continually reviewed during projects and the decision making process and the Assessment will be updated accordingly and published.**

**A further assessment will also be undertaken between 6 to 12 months following the implementation of the policy, project, decision or service change has been implemented.**

**Please also confirm the date on which you will be re-considering the project/report and submitting a further EIA if applicable.**

If North Devon Council makes changes to its services as a result of the carbon footprint, equality impacts will be considered as part of the process.

**Monitoring Arrangements:**

**Briefly describe the monitoring arrangements/systems that will be put in place to monitor the effects of this proposal.**

Delivery of the Council's Carbon, Environment and Biodiversity Plan will be monitored by Environmental Enhancement, Senior Management Team and our Councillor Climate Action Team.
