Section 18 of 21

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

Continued from previous page...

List here steps you will take to promote all four licensing objectives together.

At The Lookout, we are committed to upholding all licensing objectives through effective management, staff training, and safety protocols.

The following general steps will be implemented to promote these objectives collectively:

Staff Training and Awareness

All staff will be trained in licensing laws and responsible alcohol service, including how to refuse service to intoxicated individuals and underage persons.

Training will cover noise control measures, safety procedures, and conflict resolution to ensure a safe and welcoming environment.

Regular refresher training sessions will be conducted, and training records will be maintained.

Incident Monitoring and Reporting

An incident logbook will be maintained to document any significant events, including refusals of service, disturbances, or safety issues.

CCTV footage will be monitored and retained for 28 days to assist with incident investigations and to support law enforcement if needed.

Policies and Procedures

Written policies for public safety, noise management, and responsible alcohol service will be in place.

These policies will be reviewed annually or as required to ensure compliance with licensing conditions and local regulations.

b) The prevention of crime and disorder

To prevent crime and disorder, the following measures will be implemented:

CCTV cameras will cover the entrances, exits, and main customer areas. Footage will be stored securely and made available to authorities upon request.

Staff will be trained to identify and manage potential conflicts or antisocial behaviour, with escalation to local authorities if necessary.

Alcohol service will be responsibly managed to prevent excessive drinking and minimise the risk of disorderly conduct.

The premises will enforce a strict policy on drug use, with immediate reporting of any suspected illegal activity.

c) Public safety

To ensure the safety of customers and staff:

Fire safety measures, including clearly marked fire exits, emergency lighting, and regularly tested fire alarms, will be in place.

First aid kits will be accessible, and at least one trained first aider will be on-site during opening hours.

The premises will be regularly inspected to ensure that it complies with health and safety regulations.

Continued from previous page...

A maximum occupancy limit will be observed to prevent overcrowding and ensure safe evacuation in the event of an emergency.

d) The prevention of public nuisance

To minimise public nuisance to the surrounding area:

Noise from live and recorded music will be monitored, with sound levels kept within acceptable limits.

All doors and windows will be kept closed after 21:00 to reduce noise emissions.

Staff will supervise customer dispersal at closing time to ensure patrons leave quietly.

Signage will be displayed at exits reminding customers to respect neighbours and leave the premises quietly.

Deliveries and waste collection will be scheduled during regular business hours to avoid early morning or late-night disturbances.

e) The protection of children from harm

To protect children from harm:

A Challenge 25 policy will be enforced for alcohol sales. Anyone appearing under the age of 25 will be required to present valid photographic ID.

Staff will be trained to recognize and report signs of child exploitation or neglect.

Children will only be permitted on the premises under the supervision of a responsible adult.

No children will be allowed to enter restricted areas (e.g., kitchen or bar storage areas) for safety reasons.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
